

Alternate Login Instructions

Claimants do not need to wait for an email from ARCHER to access the portal. They can go to <https://forms.3m-earplugsettlement.com/> and enter their email address or mobile phone number to receive the login link. They can also choose to get notifications via email, text, or both. For Claimants who have been having problems with email (or those who do not have access to email), it may be best if they opt to receive the link via SMS/text message. Please see the illustrations below to see how it will look for Claimants choosing to utilize this method.

The screenshot shows the ARCHER logo at the top. Below it is the heading "Log In" and the instruction "Enter your email or phone number, and we'll send you a link to log in to your account." There are two radio button options: "EMAIL" (selected) and "SMS/TEXT". Below these is a text input field labeled "Email Address" with a red eye icon on the right. At the bottom are two buttons: "SEND LOGIN LINK" and "NEED HELP?".

At the bottom, a small note says 'You received this email because you have an account at 3M CAE Earplug Settlement'.

Once they are logged in, they can see what the email and/or phone number is. Please note Claimants can change their phone number, **but not their email address.** (see below)
