

WATTS | GUERRA ^L_{LP}

SUMMER 2022

LAW
CLERKS

A NOTE FROM MIKAL AND FRANK

Watts Guerra takes great pride in its clerkship program. We affectionately call our clerk group “Grasshopper” because like the blind master from the old show “Kung Fu”, our job is to teach and mentor them during their time at the firm. We do this by not only helping them refine their skill set in legal research and writing, but also by exposing them to all the types of things that our lawyers do on a daily basis. This includes trials, mediations, hearings, depositions, and even exposure to the social aspects of the practice of law. In return, Grasshoppers let us borrow their big hearts and brains by producing quality work product that not only benefits our clients but also showcases the quality of our work to the legal community. In short, they make us look damn good.

During this entire process, Grasshoppers are being evaluated and trained to ultimately be considered for a position in “Jedi”, which is our law firm’s affectionate name for our associate lawyers. It takes a lot of hard work and dedication to earn a position with Jedi. The summer clerkship is only the first step of many in the Grasshopper’s journey.

Please welcome our very talented group of Grasshoppers this summer. If they don’t leave here after the summer believing that becoming a lawyer at Watts Guerra would be a dream come true, then we haven’t done our job. Let’s get to work!
